

PRINCETON

Awww, come on!

KATE MONSTER

Okay.

**#4b – Kate's Purpose**

*(Over tinkling music)*

When I was a little Monster, I always wished I had a special place I could go. A special school, only for Monsters. The media only talks about the bad things Monsters do, but some of the most productive members of our society are People of Fur. So my dream is to start a special school, only for Monsters, where little Monsters can become part of the global community. So that, in short, is my purpose.

*(Music ends. Beat.)*

But I'm not an egghead! I like to have fun, and party –

PRINCETON

So you're, like, all into Monster stuff!

KATE MONSTER

Uh huh.

PRINCETON

Do you know Trekkie Monster upstairs?

KATE MONSTER

Uh huh!

PRINCETON

Well, he's Trekkie Monster, and you're Kate Monster.

KATE MONSTER

Right.

PRINCETON

You're both Monsters.

KATE MONSTER

Yeah.

PRINCETON

Are you two related?

KATE MONSTER

*(shocked)*

What? Princeton, I'm surprised at you! I find that racist!
